REPORT OF THE BOARD OF DIRECTORS ON THE SECOND AGENDA ITEM

Approval of the plan for the partial demerger of PostePay S.p.A. with assignment of the demerged business to Poste Italiane S.p.A. and simultaneous allocation of part of the demerged business to BancoPosta RFC, subject to amendment of the said BancoPosta RFC. Related and consequent resolutions.

Shareholders,

You have been convened to an extraordinary session to resolve on the partial demerger of PostePay S.p.A. ("**PostePay**" or the "**Demerged Company**") in favour of Poste Italiane S.p.A. ("**Poste Italiane**" or the "**Beneficiary Company**"), described in the demerger plan approved by the Boards of Directors of Poste Italiane and PostePay on 17 March 2026 (the "**Demerger Plan**", annexed to this report as Annex A) and the simultaneous allocation of part of the demerged business to BancoPosta RFC.

This report is also prepared pursuant to and for the purposes of Articles 2506- *ter* and 2501-*quinquies* of the Civil Code and Article 70, paragraph 2, of the Regulation approved by Consob Resolution no. 11971 of 14 May 1999, as subsequently amended (the "**Issuers' Regulation**"), as well as Form no. 1 of Annex 3A of the same Issuers' Regulation – even though the demerger is a simplified demerger pursuant to the combined provisions of Articles 2505 and 2506-*ter*, paragraph 5, of the Civil Code – with the aim of providing clear and comprehensive information on the transaction.

1. DESCRIPTION AND REASONS FOR THE TRANSACTION

1.1. Description of the transaction

The transaction covered by this report consists of the partial demerger of PostePay in favour of Poste Italiane (the "**Demerger**"), to be implemented by assigning to Poste Italiane a set of assets and legal relationships (the "**Demerged Business**", as better illustrated in Paragraph 2 below) consisting of:

- (i) the investments (the "**Demerged Investments**") held by PostePay in: (a) Lis Holding S.p.A., N&TS S.p.A., Conio Inc. and (b) Volante Technologies Holdco Inc. ("**Volante**"), the latter being an investment that is currently part of EMI RFC, as defined below. As a result of the Demerger, all the Demerged Investments shall remain assigned to Poste Italiane general capital; and
- (ii) the collection of assets and contractual rights that currently make up the assets allocated to EMI (the "**EMI RFC**") established by PostePay pursuant to Articles 114-*quinquies*.1, paragraph 5, and 114-*terdecies* of Legislative Decree no. 385/1993 (the "**Consolidated Banking Act - TUB**"), including the investment in Lis Pay S.p.A. ("**Lis Pay**") and net, as mentioned, of the investment in Volante (the "**EMI Business**"). As a result of the Demerger, the EMI Business (net of the investment in Volante) will be allocated by Poste Italiane to BancoPosta RFC established by Poste Italiane pursuant to Article 2, paragraphs 17-*octies* et seq. of Decree Law 225/2010, as converted (the "**BancoPosta RFC**").

As a result of the Demerger, therefore, the EMI Business will be:

- a. released from EMI RFC, which shall consequently cease to exist as PostePay RFC, subject to the expiry of the creditors' objection period pursuant to Article 2447-*quater* of the Civil Code, and, at the same time
- b. assigned to Poste Italiane and allocated by the latter (with the sole exception of the investment in Volante) to BancoPosta RFC, subject to the related amendment of said BancoPosta RFC.

The completion of the Demerger is subject to:

- (a) obtaining the following authorisations – or prior clearances – from the Bank of Italy:
 - (i) authorisation – or prior clearance – for the Demerger of PostePay pursuant to Article 114-*quinqüies*.2, paragraph 3 (d) of the TUB and Chapter XI, Section I, paragraph 5 of the "Supervisory Standards for Payment Institutions and Electronic Money Institutions" of the Bank of Italy and the consequent removal of PostePay S.p.A. - EMI RFC from the register of electronic money institutions pursuant to Article 114-*quater* of the TUB;
 - (ii) authorisation – or prior clearance – to amend BancoPosta RFC and to amend the BancoPosta RFC Regulation pursuant to Part Four, Chapter I, Section II, paragraph 8 of Bank of Italy Circular no. 285/2013, also for the purpose of allocating the EMI Business to BancoPosta RFC, excluding the investment in Volante;
- (b) the issuance of the express or tacit authorisation of the Presidency of the Council of Ministers within 45 calendar days of the joint notification made by PostePay and Poste Italiane (extendable by a further 20 calendar days) pursuant to and for the purposes of Article 2 of Decree Law 21/2012 of the Civil Code, as amended and supplemented and Articles 8 and 14 of Prime Ministerial Decree no. 179/2020; and
- (c) the expiry of the time limits for creditors' objections set forth in articles 2447-*quater* and 2503 of the Civil Code and to the other legal requirements.

With reference to paragraph (a) above, it is noted that on 11 June 2026, the Bank of Italy communicated its authorisation of the Demerger and the consequent amendment of BancoPosta RFC and the amendments to the BancoPosta RFC Regulation.

With reference to paragraph (b) above, it is noted that on 7 May 2026, the Presidency of the Council of Ministers communicated the authorisation for the Demerger.

In addition to the above, it is noted that the trade union information and consultation procedure provided for in Article 47 of Law 428/1990 has been completed.

From a corporate point of view, the Demerger is a simplified demerger pursuant to the combined provisions of Articles 2505 and 2506-*ter*, paragraph 5, of the Civil Code, since the share capital of the Demerged Company is wholly owned by the Beneficiary Company, so that on the effective date of the Demerger, no Poste Italiane shares will be allocated to PostePay and there will be no breach of the prohibition on the purchase of shares of the parent company by the subsidiary provided for in Article 2359-*quinqüies* of the Civil Code. It follows that it is not necessary to proceed with the determination of the exchange ratio, nor, therefore, is the expert report on the fairness of the exchange ratio referred to in Article 2501-*sexies* of the Civil Code prepared.

1.2. Companies participating in the Demerger

Demerged Company

PostePay S.p.A., with registered office in Rome, Viale Europa 190, tax code, registration number with the Companies Register of Rome and VAT number 06874351007, with fully subscribed and paid-up share capital of €7,561,191.00, subject to management and coordination by the sole shareholder Poste Italiane.

Beneficiary Company

Poste Italiane S.p.A., with registered office in Rome, Viale Europa 190, tax code and registration number with the Companies Register of Rome no. 97103880585, VAT no. 01114601006, with share capital as recorded in the Companies Register of Rome of €1,306,110,000.00, fully paid-up.

1.3. Reasons for the transaction, management objectives and related programmes

In recent years, the Italian retail market has seen the convergence of players from different sectors towards a business model focused on the creation of a customer platform, with only banks and insurance companies continuing to maintain a business model that is still predominantly specialised. In this context, the Poste Italiane Group acts as a true omni-channel platform company. The current organisation of the Poste Italiane Group, based on specialisation in four Strategic Business Units (mail/parcels/distribution, financial, insurance and payments), with the creation, at the end of 2018, of the ring-fenced capital of PostePay as an electronic money institution (EMI), has facilitated the achievement of significant operating and economic results over the last seven years. In particular, in the payment account and prepaid card market, the Poste Italiane Group's volumes showed a higher growth rate than the market thanks, in particular, to PostePay prepaid cards with an IBAN code (PostePay Evolution). To date, given the size of the customer base already served and the progressive stabilisation of growth in prepaid cards as well, it is believed that further margins for growth can be pursued mainly by increasing cross-selling and up-selling, taking into account that the average unit revenue per customer is higher for BancoPosta current account holders than for customers holding only PostePay prepaid cards. In this context, it is believed that the definition of integrated current account and card solutions can better respond to the new challenges arising from the entry of international "fintech" and "neo-bank" operators into the market. Furthermore, the current prospects for further growth in the payments sector have changed considerably compared to 2018, when PostePay EMI was established, as evidenced by the trends in the market valuations of Poste Italiane peers in the two segments of financial and payment services, with growth in the former and a decline in the latter.

Therefore, in order to respond promptly and effectively to the rapid evolution of the aforementioned market context, the intention is to proceed with a reorganisation of the Poste Italiane Group in order to structure a "Financial Hub" for the creation, within BancoPosta RFC, of a single, integrated platform aimed at satisfying the needs of customers through a wide and coordinated range of financial products and services.

This reorganisation is therefore aimed at strengthening the Group's two ecosystems in the retail sector, through the creation of a single integrated offering platform, which will enhance the PostePay brand for all customers' "everyday" financial needs (accounts, prepaid cards, loans), in close connection and synergy with the role of BancoPosta, as a distributor of products and services aimed at meeting longer-term needs, such as "wealth management" and protection (postal savings, managed savings, insurance products). The creation of the Financial Hub will consequently entail moving beyond the solution adopted at the time of PostePay as a "hybrid" EMI, operating simultaneously in diverse sectors such as payments and electronic money, telephony and energy.

To this end, the intention is to proceed with the aforementioned reorganisation of the Poste Italiane Group by reunifying, within BancoPosta RFC, the payment services and electronic money activities, to be implemented through the Demerger.

The Demerger will make it possible, among other things, to define 3 Strategic Business Units within the Poste Italiane Group: (i) Financial Services, (ii) Insurance Services, and (iii) Mail, Parcel & Distribution, including the logistics, distribution and utility businesses (it being understood that the actual future structure of the Business Units will be better defined in the next update of the Business Plan).

The Demerger and, in particular, the integration of the electronic money and payments business into BancoPosta RFC, in addition to the business benefits described above, are also expected to have positive impacts in terms of growth in assets, equity and own funds, as well as in terms of capital ratios, also laying the foundations for growth in net interest income. Further positive effects are also expected from the industrial synergies that can be activated both in terms of commission revenue and costs.

1.4. Legal aspects of the Demerger

As mentioned in Paragraph 1.1 above, due to the fact that the Beneficiary Company holds the entire share capital of the Demerged Company, the Demerger is a simplified demerger and the procedural simplifications set out in Articles 2505 and 2506-*ter* of the Civil Code will therefore apply.

Pursuant to Article 2501-*quater* of the Civil Code, as referred to in Article 2506-*ter* of the Civil Code, the Demerger Plan was prepared on the basis of the companies' balance sheets at 31 December 2025, which were drawn up and approved by the Boards of Directors of Poste Italiane and PostePay on 17 March 2026 and 11 March 2026 respectively.

The Demerger Plan was published on the Poste Italiane website and filed for registration in the Rome Companies Register pursuant to Article 2501-*ter*, paragraph 3 of the Civil Code, referred to in Article 2506-*bis*, paragraph 5 of the Civil Code.

In addition, pursuant to Article 70 of the Issuers' Regulation, the Demerger Plan, the balance sheets pursuant to Article 2501-*quater* of the Civil Code and the financial statements for the last three financial years of both companies participating in the Demerger were filed as of 16 April 2026 and will therefore remain filed – together with this explanatory report – at least 30 days before the shareholders' meetings called to approve the Demerger at their respective registered offices and published on the website www.posteitaliane.it.

The Demerger Plan will in fact be submitted for approval to the extraordinary meetings of the Demerged Company and the Beneficiary Company, which will be held in order to resolve:

- (a) with regard to PostePay, among other things, on the removal of the restriction on the allocation of the EMI Business to EMI RFC, with the consequent dissolution of the latter as PostePay RFC (without prejudice to its allocation to Poste Italiane and subsequent allocation to BancoPosta RFC); and
- (b) with regard to Poste Italiane, on the allocation of the EMI Business – including the investment in Lis Pay, but excluding the investment in Volante – to BancoPosta RFC and the consequent amendment of BancoPosta RFC, with effect concurrent with that of the Demerger.

The amendments to the BancoPosta Regulation related to the Demerger (the effectiveness of which, in any case, will be immediate and not concurrent with that of the Demerger) will be approved by the same extraordinary meeting of Poste Italiane, but as a further item on the agenda.

The date of registration of the resolutions of these extraordinary meetings with the Companies Register of Rome will therefore mark the start of the sixty-day period within which the corporate creditors of the two companies participating in the Demerger may file an objection to the Demerger pursuant to Article 2503 of the Civil Code, as referred to in Article 2506-*ter*, paragraph 5, of the Civil Code (as well as pursuant to Article

2447-*quater*, paragraph 2 of the Civil Code with particular reference to the resolutions relating to EMI RFC and BancoPosta RFC).

Lastly, it is noted that the Poste Italiane Articles of Association will not undergo any changes as a result of the Demerger.

1.5. Transactions with related parties

Although the Transaction is between related parties pursuant to Consob Regulation No. 17221/2010, it benefits – in the absence of significant interests of other Related Parties and Connected Parties – from the exemption from the application of the resolution procedures provided for in the Poste Italiane “Guidelines for managing transactions with Related Parties and Connected Parties”.

2. DESCRIPTION OF THE CAPITAL ELEMENTS SUBJECT TO THE DEMERGER

The asset and liability capital elements constituting the Demerged Business and the related legal relationships that will be assigned to the Beneficiary Company as a result of the Demerger, including the employment relationships of the personnel forming part of the Demerger Business, are those described in detail in "Annex 4.3" to the Demerger Plan, with an indication of the relevant carrying amount resulting from the Balance Sheet as at 31 December 2025, and summarised in the following table:

As a result of the Demerger, the Beneficiary Company shall take over by operation of law from the Demerged Company the portion of its capital that constitutes the Demerged Business and all existing or future relationships relating to the activities of the Demerged Business, in the exact nature and substance in fact and in law in which the same shall be on the effective date of the Demerger.

In particular, the Demerged Business will in any case include, with particular reference to the portion of such business consisting of the EMI Business, everything that constitutes the organised complex with all related appurtenances, accessories, decrees, authorisations and permits necessary for the exercise of the activity carried out through the EMI Business, shares and rights, active and passive guarantees, nothing excluded or excepted, acknowledging that any inaccuracies or imprecisions contained in the clauses of this Demerger Plan, or in the Annexes thereto, do not constitute grounds for exclusion, with the entire EMI Business being understood to be assigned to the Beneficiary Company, including its evolutions dependent on corporate dynamics up to the effective date of the Demerger.

The Demerger shall result in a reduction in the equity of the Demerged Company on the date of its accounting for an amount equal to the total carrying amount of the Demerged Business on the effective date of the Demerger, and shall be charged as a reduction in the equity reserves of the Demerged Company. Further information on the equity of the Demerged Company and the changes that will affect it as a result of the Demerger is included in the Demerger Plan.

As far as is relevant here, it is noted that the assignment of the Demerged Business to the Beneficiary Company shall take place according to the principle of accounting continuity with respect to the relative values reflected in the balance sheet at the effective date of the Demerger.

Therefore, once the Demerger takes effect, it will result in the following for the Beneficiary Company: (i) an increase in its assets and liabilities in relation to the items pertaining to the Demerged Business, as they appear at the effective date of the Demerger, with the related recognition of the equity relating to the Demerged Business determined on the basis of the accounting results updated at the same date, and, at the same time (ii) a reduction in the carrying amount of the Poste Italiane investment in PostePay (in proportion to the total carrying amount of the Demerged Business at the effective date, with respect to the equity of the Demerged Company prior to the Demerger).

It is specified that, following the Demerger, the employment relationship of the employees of the Demerged Company pertaining to the Demerged Business, with particular reference to the EMI Business, shall continue, without interruption, with the Beneficiary Company on the basis of the relevant classifications provided for by the sector National Collective Labour Contract (CCNL), maintaining unchanged the rights already accrued with the Demerged Company at the time of the Demerger. Further details regarding the treatment of employment relationships relating to the Demerger Business are included in Paragraph 10 of the Demerger Plan.

It is specified that the business to be transferred will also include the credit relating to the 2027 advance payment made by PostePay for the purpose of the stamp duty paid virtually, for the part relating to the assets included in the transferred business.

3. EXCHANGE RATIO AND ALLOCATION OF SHARES

As mentioned above, PostePay will not be allocated any Poste Italiane investments as a result of the Demerger and, therefore, it is not necessary to determine the exchange ratio.

4. ASSESSMENT OF THE APPLICABILITY OF THE RIGHT OF WITHDRAWAL

The conditions for exercising the right of withdrawal pursuant to Article 2437-*quinquies* of the Civil Code are not met.

5. EFFECTS ON THE SHAREHOLDING STRUCTURE OF THE DEMERGED COMPANY AND THE BENEFICIARY COMPANY

As mentioned above, the Demerger will be implemented without the allocation of shares of the Beneficiary Company to the Demerged Company, and there will be no breach of the prohibition on the purchase of shares of the parent company by the subsidiary provided for in Article 2359-*quinquies* Civil Code.

Furthermore, as briefly stated above, no change is envisaged in the share capital of the Demerged Company and the Beneficiary Company.

Furthermore, the shareholding structure of the companies participating in the Demerger will obviously remain unchanged.

6. DESCRIPTION OF THE RIGHTS ATTACHED TO THE SHARES

As mentioned, the Demerger does not entail the issue of new shares by either Poste Italiane or PostePay. Consequently, the rights and characteristics of the shares of both companies will not undergo any change as a result of the Demerger.

7. EFFECTS OF THE DEMERGER ON SHAREHOLDERS' AGREEMENTS

At the date of this report, Poste Italiane is not aware of any shareholders' agreements pursuant to article 122 of the Consolidated Finance Act.

8. EFFECTIVE DATE OF THE DEMERGER

As will be established in the demerger deed, the Demerger will have real, accounting and tax effect, pursuant to Article 2506-*quater* of the Civil Code, from the later of: (i) the first day of the month following the last of the registrations provided for by Article 2506-*quater* of the Civil Code and (ii) 1 January 2027.

9. TAX IMPLICATIONS OF THE TRANSACTION

The Demerger is tax-neutral; therefore, it will not give rise to the realisation or distribution of capital gains or losses on the assets of the Companies Participating in the Demerger.

The Demerger constitutes a transaction outside the scope of VAT, pursuant to Article 2, paragraph 3 (f) of Presidential Decree No. 633 of 26 October 1972 and is subject to a fixed registration tax.

In view of the foregoing, we therefore submit the following

Proposal

The Meeting of Poste Italiane S.p.A., having examined the explanatory report of the Board of Directors and having taken note of the authorisations granted by the Bank of Italy, as well as the clearance of the Council of Ministers:

resolves

1. to approve the plan for the partial demerger of PostePay S.p.A. in favour of Poste Italiane S.p.A. – the text of which has been registered with the competent Companies Register and filed at the respective registered offices and will finally be annexed to the minutes of this Extraordinary Meeting of Poste Italiane – through the assignment to Poste Italiane S.p.A. of the Demerged Business (consisting of the capital elements and legal relationships indicated in the demerger plan) and the simultaneous allocation of the EMI Business to BancoPosta RFC, and therefore establishing, among other things, the following:
 - as a result of the demerger, BancoPosta RFC shall be amended to incorporate the allocation of the EMI Business;
 - the current Articles of Association of the beneficiary company shall not be amended as a result of the demerger;
 - given the fact that this is a partial demerger of a wholly-owned company, the demerger will be implemented without an increase in the capital of the beneficiary company and, therefore, without the issue and allocation of new shares thereof;

- the effective date of the demerger, pursuant to article 2506-*quater* of the Civil Code, also for accounting and tax purposes, shall be established in the demerger deed and shall coincide with the later of: (i) the first day of the month following the last of the registrations provided for by Article 2506-*quater* of the Civil Code and (ii) 1 January 2027.
2. to vest the Chief Executive Officer, as well as, to the extent of competence, the General Manager, severally and also by means of special attorneys, with the broadest powers to perform and/or sign all acts appropriate and/or necessary to carry out all activities necessary and/or useful for the execution of the previous resolution and for the best implementation of the overall transaction, such as, by way of example and not limited to, the signing of the demerger deed after verifying the expiry of the terms of law (pursuant to Articles 2503 and 2447-*quater* of the Civil Code) without creditors' objections, or even before the expiry of the term of law for creditors' objections if the legal conditions are met, the submission of requests/applications/tax rulings, the formalisation and filing of the relevant documents with the Companies Register and at the company's registered office, as well as all the necessary formalities pursuant to the applicable laws and regulations in force. The powers conferred on the Chief Executive Officer, as well as to the extent applicable on the General Manager, severally, to execute the demerger deed include, again with the right to be replaced by a special attorney, those to perform in any case what is deemed even only appropriate for the complete implementation of the transaction, and thus also those to include in the deed: (i) the most accurate identification of assets and rights included in the capital of the demerged company assigned to the beneficiary company and the waiver of legal mortgages, including updates to the scope of the Demerged Business deriving from the evolution of the company's dynamics; (ii) the declarations and guarantees deemed necessary or even only useful or appropriate for all legal purposes and thus also for the execution of any consequent disclosure formalities; with the release of public or private offices, and their officials, from any responsibility for the execution of the required formalities; (iii) the authorisation for the beneficiary company to provide, if necessary, for further supplementary, clarification and rectification deeds and for anything else that is useful or appropriate for the complete implementation of the transaction; all with the aim of having the beneficiary company recognised, including with regard to public administrations, public and private entities and third parties in general, as the successor to the demerged company in every legal or factual relationship included in the assigned assets and thus obtaining the changes in its own name to the registration of any asset, right, authorisation, licence, concession, contracts, current accounts, security deposits, debt instruments and anything else in any case registered or pertaining to the demerged company within the scope of the assigned capital.

ANNEXES

PLAN FOR THE PARTIAL DEMERGER
OF POSTEPAY S.P.A. IN FAVOUR OF POSTE ITALIANE S.P.A.

The Board of Directors of Poste Italiane S.p.A. ("**Poste Italiane**" or the "**Beneficiary Company**") and PostePay S.p.A. ("**PostePay**" or the "**Demerged Company**" and, together with the Beneficiary Company, the "**Companies Participating in the Demerger**") draw up this demerger plan, pursuant to and for the purposes of Articles 2506 et seq. of the Civil Code (the "**Demerger Plan**").

WHEREAS

- (i) In recent years, the Italian retail market has seen the convergence of players from different sectors towards a business model focused on the creation of a customer platform, with only banks and insurance companies continuing to maintain a business model that is still predominantly specialised. In this context, the Poste Italiane Group acts as a true omni-channel platform company. The current organisation of the Poste Italiane Group, based on Specialisation in four Strategic Business Units (mail/parcels/distribution, financial, insurance and payments), with the creation, at the end of 2018, of the ring-fenced capital of PostePay as an electronic money institution (EMI), has facilitated the achievement of significant operating and economic results over the last seven years. In particular, in the

payment account and prepaid card market, the Poste Italiane Group's volumes showed a higher growth rate than the market thanks, in particular, to PostePay prepaid cards with an IBAN code (PostePay Evolution). To date, given the size of the customer base already served and the progressive stabilisation of growth in prepaid cards as well, it is believed that further margins for growth can be pursued mainly by increasing cross-selling and up-selling, taking into account that the average unit revenue per customer is higher for BancoPosta current account holders than for customers holding only PostePay prepaid cards. In this context, it is believed that the definition of integrated current account and card solutions can better respond to the new challenges arising from the entry of international "fintech" and "neo-bank" operators into the market. Furthermore, the current prospects for further growth in the payments sector have changed considerably compared to 2018, when PostePay EMI was established, as evidenced by the trends in the market valuations of Poste Italiane peers in the two segments of financial and payment services, with growth in the former and a decline in the latter.

- (ii) Therefore, in order to respond promptly and effectively to the rapid evolution of the aforementioned market context, the intention is to proceed with a reorganisation of the Poste Italiane Group in order to structure a "Financial Hub" for the creation, within BancoPosta RFC, of a single, integrated platform aimed at satisfying the needs of

customers through a wide and coordinated range of financial products and services.

- (iii) The reorganisation is therefore aimed at strengthening the Group's two ecosystems in the retail sector, through the creation of a single integrated offering platform, which will enhance the PostePay brand for all customers' "everyday" financial needs (accounts, propagated cards, loans), in close connection and synergy with the role of BancoPosta, as a distributor of products and services aimed at meeting longer-term needs, such as "wealth management" and protection (postal savings, managed savings, insurance products).
- (iv) The creation of the Financial Hub will consequently entail moving beyond the solution adopted at the time of PostePay as a "hybrid" EMI, operating simultaneously in diverse sectors such as payments and electronic money, telephony and energy.
- (v) To this end, the intention is to proceed with the reorganisation of the Poste Italiane Group by reunifying, within BancoPosta RFC, the payment services and electronic money activities. This is to be implemented through the partial demerger of PostePay in favour of Poste Italiane (the "**Demerger**"), as better described below in this Demerger Plan, which will involve the allocation to Poste Italiane of a set of assets that will include, among other things, the assets and legal relationships that currently make up EMI RFC, with the consequent allocation of the latter to BancoPosta RFC.

- (vi) The Demerger will make it possible, among other things, to define 3 Strategic Business Units within the Poste Italiane Group: (i) Financial Services (coinciding with the Financial Hub), (ii) Insurance Services, and (iii) Mail, Parcels & Distribution, including the logistics, distribution and utility businesses (it being understood that the actual future structure of the Business Units will be better defined in the next update of the Business Plan).
- (vii) The Demerger and, in particular, the integration of the electronic money and payments business into BancoPosta RFC, in addition to the business benefits described above, are also expected to have positive impacts in terms of growth in assets, equity and own funds, as well as in terms of capital ratios, also laying the foundations for growth in net interest income. Further positive effects are also expected from the industrial synergies that can be activated both in terms of commission revenue and costs.

Whereas, furthermore:

A

the proposed transaction consists of the partial demerger of PostePay to be implemented by assigning to Poste Italiane a collection of assets and contractual rights (the "**Demerged Business**") consisting of:

- (i) the investments held by PostePay in (a) Lis Holding S.p.A., N&TS S.p.A., Conio Inc. and (b) Volante Technologies Holdco Inc. ("**Volante**"), the latter investment currently forming part of EMI RFC

- (the "**Demerged Investments**"): the Demerged Investments as a result of the Demerger shall remain assigned to the general capital of Poste Italiane; and
- (ii) the collection of assets and contractual rights that currently make up EMI RFC (the "**EMI RFC**") established by PostePay pursuant to Articles 114-*quinquies.1*, paragraph 5, and 114-*terdecies* of Legislative Decree no. 385/1993 (the "**TUB**"), including the investment in Lis Pay S.p.A. ("**Lis Pay**") and net, as mentioned, of the investment in Volante (the "**EMI Business**"), with the assignment, as a result of the Demerger, of the EMI Business to BancoPosta RFC established by Poste Italiane pursuant to Article 2, paragraphs 17-*octies* et seq. of Decree Law 225/2010, as converted (the "**BP RFC**").

B

From a corporate point of view, the Demerger is a simplified demerger as the capital of PostePay (Demerged Company) is wholly-owned by its sole shareholder Poste Italiane (Beneficiary Company).

It is hereby specified that, as of the effective date of the Demerger, no shares of Poste Italiane will be allocated to PostePay, in order not to violate the prohibition on the purchase of shares in the parent company by the subsidiary provided for in Article 2359-*quinquies* of the Civil Code. It follows that it will not be necessary to proceed with the determination of the exchange ratio. Therefore, the experts' report on the fairness of the exchange ratio will not be necessary, while – for the sake of completeness of information – both the reports of the Boards of Directors of the

Companies Participating in the Demerger (above all to illustrate the overall purposes of the transaction) and the demerger balance sheets have been prepared.

C

It is recalled that:

- (i) the completion of the transaction must be understood as subject to:
 - (a) obtaining the Authorisations referred to in Paragraph (D) below, as well as (b) the issuance of the express or tacit authorisation of the Presidency of the Council of Ministers within 45 calendar days of the joint notification made by PostePay and Poste Italiane (extendable by a further 20 calendar days) pursuant to and for the purposes of Article 2 of Decree Law 21/2012, as amended and supplemented and Articles 8 and 14 of Prime Ministerial Decree no. 179/2020 (the “**Golden Power Regulation**”);
- (ii) before the signing of the Deed of Demerger, the trade union information and consultation procedure pursuant to Article 47 of Law 428/1990 (the “**Trade Union Procedure**”) must be completed;
- (iii) in the context of the transaction, the EMI Business will be released from EMI RFC (which will consequently cease to exist as PostePay RFC) and assigned to Poste Italiane, which will allocate it to BP RFC. The Demerged Investments will instead be allocated to the general capital of the Beneficiary Company;

(iv) the extraordinary shareholders' meeting of Poste Italiane called to approve the Demerger Plan shall also be called to approve the related amendments to the resolution establishing BP RFC, as well as certain amendments to the BP RFC regulation ("**BP Regulation**"), also in order to allow the allocation to BP RFC of the investment in LIS Pay, it being specified that the effectiveness of such amendments to the BP Regulation shall be immediate, once the relevant Authorisations have been obtained, and not concurrent with that of the Demerger.

The Demerger Plan shall be approved by the extraordinary meetings of the Demerged Company and the Beneficiary Company, which shall, in any case, be held in order to resolve: (i) with regard to PostePay, among other things, regarding the removal of the restriction on the allocation of the EMI Business to EMI RFC, with the consequent dissolution of the latter, while the consequent amendments to the Articles of Association aimed at eliminating any reference to EMI RFC shall be indicated in the Demerger Plan; and (ii) with regard to Poste Italiane, regarding the allocation of the EMI Business – including the investment in LIS Pay – to BP RFC and the consequent amendment of the resolution establishing BP RFC, with effect concurrent with that of the Demerger, while, as mentioned, the amendments to the BP Regulation envisaged in relation to the operation of the Demerger shall be approved by the same extraordinary meeting in a further agenda item and shall, as mentioned, be immediate, once the relevant Authorisations have been obtained. In the context of the transaction, the aforementioned amendments to the BP Regulation will in

fact be submitted for approval by the extraordinary meeting of the Beneficiary Company, also in order to allow the allocation of the investment in Lis Pay to BP RFC.

D

From a regulatory point of view, the transaction is subject to obtaining the following authorisations – or prior clearances – from the Bank of Italy: *(i)* authorisation – or prior clearance – relating to the demerger of PostePay pursuant to Article 114-*quinquies*.2, paragraph 3, letter d) of the TUB and Chapter XI, Section I, paragraph 5 of the "Supervisory Standards for Payment Institutions and Electronic Money Institutions" of the Bank of Italy and the consequent removal of PostePay S.p.A. — EMI RFC from the register of electronic money institutions pursuant to Article 114-*quater* of the TUB; and *(ii)* authorisation – or prior clearance – to amend the resolution establishing BP RFC and to amend the BP Regulation pursuant to Part Four, Chapter I, Section II, paragraph 8 of Bank of Italy Circular 285/2013, also for the purpose of allocating the EMI Business to BP RFC (the "**Authorisations**").

E

On the effective date of the Demerger: (i) the EMI Business will therefore be released from EMI RFC, which will cease to exist as PostePay RFC, subject to the expiry of the creditors' objection period under Article 2447-

quater of the Civil Code; (ii) Poste Italiane shall allocate a portion of the Demerged Business – corresponding to the EMI Business – to BP RFC.

F

The conditions for the application of Article 2501-*bis* of the Civil Code are not met; the capital of the Companies Participating in the Demerger is represented by shares and, therefore, the term for creditor objections is that provided for in Article 2503, paragraph 1, of the Civil Code.

At the date of this Demerger Plan, the Demerged Company and the Beneficiary Company are not in liquidation and are not subject to insolvency proceedings.

The Deed of Demerger may be entered into subject to obtaining the Authorisations and to the expiry of the time limits for creditors' objections set forth in articles 2447-*quater* and 2503 of the Civil Code and to the other legal requirements.

The Beneficiary Company shall fulfil all other possible communication and notification obligations imposed on it pursuant to the Civil Code, Legislative Decree no. 58 of 24 February 1998 and applicable laws and regulations.

In view of the foregoing, the elements prescribed by law are indicated below

1. Companies Participating in the Demerger

1.1 Demerged Company

PostePay S.p.A., with registered office in Rome, Viale Europa 190, tax code, registration number with the Companies Register of Rome and VAT number 06874351007, with fully subscribed and paid-up share capital of €7,561,191.00, subject to management and coordination by the sole shareholder Poste Italiane.

1.2 Beneficiary Company

Poste Italiane S.p.A., with registered office in Rome, Viale Europa 190, tax code and registration number in the Companies Register of Rome no. 97103880585, VAT no. 01114601006, with fully subscribed and paid-up share capital of €1,306,110,000.00.

2. Articles of Association of the Companies Participating in the Demerger

2.1 Articles of Association of the Demerged Company

Taking into account that, on the effective date of the Demerger, EMI RFC will cease to exist as PostePay RFC, the current Articles of Association of the Demerged Company must be amended in order, among other things, to eliminate any reference to EMI RFC. The Articles of Association of the Demerged Company coordinated with the amendments resulting from the Demerger are those annexed to this Demerger Plan under "**Annex 2.1**".

In particular, the PostePay Articles of Association will undergo the main changes described below:

- (i) Article 4 "Purpose": deletion of the reference to all activities relating to payment and electronic money services for which PostePay was authorised to operate;
- (ii) Article 5 "Capital and Shares": deletion of the reference to the contribution of the "Debit" business unit by Poste Italiane S.p.A.;
- (iii) Article 7 "Ring-fenced capital": certain refinements have been made to the wording of the article;

- (xi) Article 24 "Board of Statutory Auditors": elimination of the functions provided for under the supervisory standards for EMI, as well as of the requirements for members under the aforementioned supervisory standards;

(xii) Article 28 "Reference": deletion of references to compliance with the supervisory standards for EMI;

(xiii) Article 29 "Transitional Clause": deletion of the article.

The Articles of Association may be subject to further subsequent amendments related to the reorganisation concerning the Demerged Company.

2.2 Articles of Association of the Beneficiary Company

The current Articles of Association of the Beneficiary Company — as annexed to this Demerger Plan under "**Annex 2.2**" — shall not undergo any changes as a result of the Demerger, given that (i) the Demerger, as indicated in the introduction to this Demerger Plan, shall take place without an increase in the share capital of the Beneficiary Company; (ii) the corporate purpose of the Beneficiary Company already provides for the exercise of the activities carried out by the Demerged Business, also considering that the EMI Business, with the sole exclusion of the investment in Volante, shall be allocated by Poste Italiane to BP RFC.

3. Method of the Demerger

3.1 As mentioned above, no issue of new shares in the Beneficiary Company is envisaged, nor is any exchange ratio envisaged as a consequence.

3.2 The directors' reports have been drawn up pursuant to Art.

2501-quinquies of the Civil Code as well as the balance sheets of the Demerger, while it is not necessary to draw up the experts' report referred to in Article 2501-*sexies* of the Civil Code on the fairness of the exchange ratio.

3.3. This Demerger Plan does not take into account the indications referred to in Article 2501-*ter*, first paragraph, 3), 4) and 5), of the Civil Code, since there is no exchange of shares or allocation of shares as a result of the Demerger.

4. Description of the assets and liabilities to be allocated and the capital effects of the Demerger

4.1 Pursuant to the combined provisions of Articles 2506-*ter* and 2501-*quater* of the Civil Code, for the Demerged Company, reference is made to the Balance Sheet as at 31 December 2025, approved by its Board of Directors on 11 March 2026.

4.2 With regard to the Beneficiary Company, reference is made to the Balance Sheet as at 31 December 2025, approved by its Board of Directors on 17 March 2026.

4.3 The asset and liability constituting the Demerged Business and the related legal relationships that will be assigned to the Beneficiary Company as a result of the Demerger, including the employment relationships of the personnel forming part of the Demerged Business, are those described in detail in "**Annex 4.3**" to this Demerger Plan, with an

indication of the relevant carrying amount resulting from the Balance Sheet as at 31 December 2025, and summarised in the following table:

4.4 As a result of the Demerger, the Beneficiary Company shall take over by operation of law – pursuant to the legislation in force, with all inherent actions, rights, accessions and appurtenances and in the broadest and most general manner – from the Demerged Company the portion of its capital that constitutes the Demerged Business and all existing or future relationships relating to the activities of the Demerged Business, in the exact nature and substance in fact and in law in which the same shall be on the effective date of the Demerger.

4.5 In this regard, it is specified that the Demerged Business, with particular reference to the portion of such business consisting of the EMI Business, include everything that constitutes the organised complex with all related appurtenances, accessories, decrees, authorisations and permits necessary for the exercise of the activity carried out through the EMI Business, shares and rights, active and passive guarantees, nothing excluded or excepted, acknowledging that any inaccuracies or imprecisions contained in the clauses of this Demerger Plan, or in the Annexes thereto, do not constitute grounds for exclusion, with the entire EMI Business being understood to be assigned to the Beneficiary Company, including its evolutions dependent on corporate dynamics up to the effective date of the Demerger, as established in the following Article 6.

4.6 At 31 December 2025, the equity of the Demerged Company, net of the accounting effect of the Demerger, amounts to €155 million and is divided as follows:

- €8 million (Capital)
- €147 million (Other reserves).

The Demerger shall result in a reduction in the equity of the Demerged Company on the date of its accounting for an amount equal to the total carrying amount of the Demerged Business on the effective date of the Demerger, and shall be charged as a reduction in the equity reserves of the Demerged Company.

4.7 The assignment of the Demerged Business to the Beneficiary Company shall take place according to the principle of accounting continuity with respect to the relative values reflected in the balance sheet at the effective date of the Demerger.

4.8 Therefore, once the Demerger takes effect, it will result in the following for the Beneficiary Company: (i) an increase in its assets and liabilities in relation to the items pertaining to the Demerged Business, as they appear at the effective date of the Demerger, with the related recognition of the equity relating to the Demerged Business determined on the basis of the accounting results updated at the same date, and, at the same time (ii) a reduction in the carrying amount of the Poste Italiane investment in PostePay (in proportion to the total carrying amount of the Demerged Business at the effective date, with respect to the equity of the Demerged Company prior to the Demerger).

5. Execution of the deed of demerger

5.1 Before the Demerger deed is concluded, it will be necessary to verify the following:

- (i) obtaining the Authorisations by the Companies Participating in the Demerger, which also includes the case in which any requirements and recommendations are established by the competent Authority;
- (ii) express or tacit authorisation for the Demerger pursuant to and for the purposes of the Golden Power Regulation, which also includes

the case in which any requirements and recommendations are established by the competent Authority;

(iii) sending, within the terms of the law, the joint communication by PostePay and Poste Italiane to the trade unions pursuant to Article 47, L 428/1990;

(iv) expiry of the terms of law (Articles 2503 and 2447-*quater* of the Civil Code) without opposition from creditors or, if not, obtaining the measure referred to in the last paragraph of Article 2445 of the Civil Code as referred to in Articles 2503 and 2447-*quater* of the Civil Code.

6. Effective date of the Demerger and allocation of transactions

Pursuant to Article 2506-*quater* of the Civil Code, the Demerger shall have legal, accounting and tax effect from the later of: (i) the first day of the month following the last of the registrations provided for in Article 2506-*quater* of the Civil Code; and (ii) 1 January 2027.

7. Any treatment reserved for particular categories of shareholders and holders of securities other than shares

There are no special categories of shareholders.

8. Any special advantages proposed to the directors of the Companies Participating in the Demerger

There are no special advantages for the directors of the Companies Participating in the Demerger.

9. Tax implications of the transaction

The Demerger is tax-neutral; therefore, it will not give rise to the realisation or distribution of capital gains or losses on the assets of the Companies Participating in the Demerger.

The Demerger constitutes a transaction outside the scope of VAT, pursuant to Article 2, paragraph 3 (f) of Presidential Decree No. 633 of 26 October 1972 and is subject to a fixed registration tax.

10. Personnel

10.1 Following the Demerger, the employment relationship of the employees of the Demerged Company pertaining to the Demerged Business, with particular reference to the **EMI Business**, shall continue, without interruption, with the Beneficiary Company on the basis of the relevant classifications provided for by the sector National Collective Labour Contract (CCNL), maintaining unchanged the rights already accrued with the Demerged Company at the time of the Demerger.

10.2 The transfer of ownership of existing contracts with employees of the Demerged Company does not envisage any negative changes in the methods of providing work services. In view of the number of workers

affected by the Demerger, it is necessary to activate the trade union consultation procedure referred to in Article 47, Law 428/1990.

10.3 As a result of the Demerger, the Beneficiary Company shall see its workforce expanded by an amount equal to the number of units belonging to the Demerged Business at the effective date of the Demerger, without prejudice to the allocation of the EMI Business, and the workforce belonging to it, to BP RFC, as specified above.

11. Other provisions

11.1 This Demerger Plan shall be filed for registration with the Rome Companies Register and shall therefore be filed at the registered offices of the Companies Participating in the Demerger, together with the Reports of the Boards of Directors and the Balance Sheets of the Companies Participating in the Demerger as at 31 December 2025 and the financial statements for the last three financial years of the Demerged Company and the Beneficiary Company, including the relevant accompanying reports.

11.2 This is without prejudice to changes, additions and updates to this Demerger Plan, as permitted by the provisions of the law in force.

carry out their duties, being able to follow the proceedings in real time and adequately perceive the events of the meeting that are the subject of the minutes, including the attribution to each participant and to the Chair of the meeting of their respective statements;

The Shareholders' Meeting is chaired by the Sole Director, the Chair of the Board of Directors or, in the absence thereof, by the Vice Chair, where appointed. In the absence of the Chair and the Vice Chair, the Shareholders' Meeting shall be chaired by the person designated by the majority of those in attendance.

The Meeting shall appoint a secretary, who may also be a non-shareholder.

Article 15

Composition and appointment of the administrative body

The company is managed by a Sole Director or by a Board of Directors composed of a minimum of 3 (three) and a maximum of 7 (seven) members. The ordinary Shareholders' Meeting shall determine the number of members of the administrative body and appoint them.

Where the company is managed by a board of directors, its composition must ensure compliance with the laws and regulations in force from time to time regarding gender balance.

A conviction, even if not final, for any of the following offences constitutes grounds for ineligibility or dismissal for just cause, without the right to compensation for damages, from the office of a director:

- a) pursuant to the laws and regulations that govern banking, financial, intermediation, brokerage and insurance activities, as well as capital markets, securities and payment instruments;
- b) under Title XI, Book V of the Civil Code and Royal Decree No. 267 of 16 March 1942;
- c) the rules and regulations governing offences against the public administration, public trust, property, public policy, public finances or relating to fiscal matters;
- d) Article 51, paragraph 3-bis of the Code of Penal Procedure or Article 73 of Presidential Decree No. 309 of 9 October 1990.

The issuance of a decree ordering trial or a decree ordering immediate trial for any of the offences referred to in the previous paragraph, letters a), b), c), and d), or a final conviction that establishes the willful commission of damage to the treasury, also constitutes a cause for ineligibility.

Directors who while in office are indicted, or ordered to stand ordinary or immediate trial, for any of the offences described in paragraph 3 (a), (b), (c) and (d) or are found guilty, with an non-appealable order, of an offence involving fraud to the detriment of the Treasury shall immediately notify the Board of Directors on a strictly confidential basis. The Board of Directors, at its first meeting following the notification and no later than ten days after the notification of the orders described above, shall verify whether any of the circumstances set out above exist and shall call, within 15 days, a shareholders' meeting to resolve on the continuation in office of the director, formulating a reasoned proposal in this regard that takes into account a possible overriding interest of the company in the continuation in office. If the meeting fails to resolve on the director's continued tenure, the director will automatically be removed from office for just cause, without any right to compensation.

Without prejudice to the provisions of the preceding paragraphs, the situation of being subject to a personal precautionary measure, such as to make it impossible to perform the powers, at the outcome of the proceedings referred to in Article 309 or Article 311, paragraph 2, of the Code of Penal Procedure, or after the expiry of the respective term for appeal, shall constitute grounds for ineligibility or automatic removal for just cause, with no right to compensation for damages, from the functions of director with operational powers.

For the purposes of this provision, a sentence imposing the penalty pursuant to Article 444 of the Code of Penal Procedure is deemed equivalent to a conviction.

Directors must meet the integrity requirements established by law, applicable regulations, and these Articles of Association.

Article 16

Duration and replacement of the administrative body

The administrative body shall remain in office for the period established at the time of its appointment and, in any case, for no more than three financial years, and may be re-elected. Its term shall expire on the date of the meeting called to approve the financial statements for the last year of its term.

If during the course of a financial year one or more Directors cease to hold office, they shall be replaced pursuant to Article 2386(1) of the Civil Code, ensuring compliance with the provisions of current laws and regulations on gender balance, by a resolution approved by the Board of Statutory Auditors, provided that the majority is always made up of directors appointed by the meeting (or in the deed of incorporation). The directors thus appointed shall remain in office until the next shareholders' meeting.

If a majority of the directors appointed by the Shareholders' Meeting (or in the deed of incorporation) leave office, the entire Board shall cease to exist.

In this case, the ordinary shareholders' meeting is convened urgently by the Board of Statutory Auditors to make the new appointments.

Article 17

Chair of the Board of Directors

At the first meeting following its appointment, the Board of Directors, unless the shareholders' meeting has already done so, elects from among its members a Chair and, where applicable, a Vice Chair who will substitute the Chair in the event of the temporary absence or impediment thereof.

In any case, the office of Vice Chair shall not give rise to any additional remuneration. The Chair of the Board of Directors or, in the event of the impediment thereof, the Vice Chair, convenes meetings of the Board of Directors, sets each meeting's agenda, coordinates the meeting and procures that adequate information on the items on the agenda is provided to all Directors.

The Board shall appoint a Secretary, who need not be a member.

Article 18

Competence and powers of the administrative body

The management of the Company pertains exclusively to the administrative body, who shall perform all the necessary operations to implement the corporate purpose.

The Board of Directors exercises the powers granted to it by law.

The following powers are also assigned to the administrative body:

The meeting shall be called at least five days before the meeting by letter to be sent by fax, telegram, email (or other suitable means to prove receipt).

In urgent cases, the meeting may be called by letter to be sent by fax, telegram or email, without observing the notice period. In this case, the Chair (or the Vice Chair) shall inform the other members of the Board, during the meeting thus convened, of

the reasons of urgency that gave rise to the failure to comply with the notice period. Meetings of the Board of Directors may also be held by audio conference and/or audio-video conference. In such cases, the provisions of Article 13, third paragraph of these Articles of Association shall apply.

Auditors shall remain in office until the meeting convened to approve the financial statements for the third year of office.

They may be re-elected. The termination of Auditors for term expiry shall take effect from the moment the Board of Statutory Auditors has been reconstituted.

The members of the Board of Statutory Auditors are entitled to a fixed annual remuneration, which shall be determined by the meeting for the entire duration of their term of office.

In any case, attendance fees are prohibited.

Statutory auditors may attend meetings remotely through the use of audio or audiovisual connection systems, in compliance with the provisions of Article 13, paragraph 3, where applicable, of these Articles of Association.

Article 25

The Board thus appointed, if the President of the Court of Rome has not already done so at the time of appointment, shall designate from among its members the arbitrator with the functions of President.

The seat of the arbitration board shall be in Rome and the arbitrators shall decide according to law, applying the rules laid down on the subject of formal arbitration by the Code of Civil Procedure, insofar as they are compatible.

Disputes brought against the shareholders and/or the company by the directors,

Chapter II

Share Capital, Shares, BancoPosta Segregated Assets, Withdrawal and Bonds

Article 5

5.1 The Company's share capital is Euro 1,306,110,000 (one billion three hundred and six million one hundred and ten thousand Euro) divided among 1,306,110,000 (one billion three hundred and six million one hundred and ten thousand) ordinary shares with no nominal value.

Article 6

6.1 The shares are indivisible, and each share gives the right to one vote in all the meetings of the shareholders of the Company.

6.2 The shares are registered. The shares are freely transferable.

6.3 The shareholders, solely by virtue of their ownership of shares, accept these bylaws.

6.4 The Company may issue shares of any class, as well as bonds, including convertible bonds and bonds cum warrants.

6.5 Art. 3 of the Legislative Decree of 31 May 1994 no. 332, converted with amendments by way of the Law of 30 July 1994 no. 474, provides for a limit on share ownership which entails a shareholding of more than 5% (five per cent) of the share capital. The current article 6.5 does not apply to the holding in the share capital of the Company held by the Ministry of the Economy and Finance, public bodies and persons controlled by them.

The maximum limit on share ownership is also calculated by taking into account the total shareholdings belonging to: the parent company, natural or legal person, body or company; to all the direct or indirect subsidiaries and the subsidiaries of one controlling person; to

connected persons and natural persons linked by kinship or affinity up to the second degree or marriage provided that the spouse is not legally separated.

Control exists, including with reference to persons other than the companies, in the cases set out in art. 2359(1)(2) of the Civil Code.

Connection exists in the cases set out in art. 2359(3) of the Civil Code, and also between persons who, directly or indirectly, through subsidiaries, other than those managing investment funds, adhere, including with third parties, to agreements relating to the exercise of the right to vote or the transfer of shares or stakes of third party companies or in any case contracts or agreements as set out in section 122 of the Legislative Decree of 24 February 1998, no. 58, in relation to third party companies, where such contracts or agreements relate to at least 10% (ten per cent) of the capital with voting rights if it is a listed company or 20% (twenty per cent) if it is a non-listed company.

For the purposes of the calculation of the aforementioned share ownership limit account is taken also of the shares held by fiduciaries and/or intermediary persons and in general by intermediary bodies.

The right to vote and the other rights having a content other than a financial content pertaining to the shares held in excess of the maximum share ownership limit cannot be exercised; in the case in which the maximum share ownership limit – calculated pursuant to this article – is exceeded by several persons the voting right which would be due to the each person to which the share ownership limit relates falls proportionately, save for prior joint instructions of the shareholders concerned. In case of non compliance the resolution may be challenged under art. 2377 of the Civil Code if the majority required would not be reached without the votes in excess of the maximum limited indicated above.

The shares in respect of which the voting right cannot be exercised are in any case calculated for the purposes of the Shareholders' Meeting being duly convened.

6.6 In accordance with Article 2, paragraphs 17-*octies et seq.* of Decree Law No. 225 of

29 December 2010, converted with amendments, into Law No. 10 of 26 February 2011, pursuant to a resolution of the extraordinary Shareholders' Meeting on 14 April 2011, the Company established, effective as from 2 May 2011, segregated assets exclusively for the operations of BancoPosta, which are named BancoPosta Segregated Assets (i.e. Patrimonio BancoPosta) and are governed by specific regulations named the **"Regulations for the BancoPosta Segregated Assets"**.

6.7 Resolutions approved in accordance with the law identify the assets and legal relationships included within the segregated assets, and approve the Regulations for the BancoPosta Segregated Assets setting forth how such segregated assets are organized, managed and overseen, any subsequent amendment to the Regulations for the BancoPosta Segregated Assets and the transfer into the BancoPosta Segregated Assets of any other assets and legal relationships of the Company. The foregoing resolutions are filed and registered in accordance with Article 2436 of the Civil Code.

7.2 There is no right to withdraw when:

- the duration of the Company is extended;
- restrictions to the free circulation of the shares are created, amended or removed.

Article 8

8.1 An issue of bonds is approved by the Directors in accordance with the law, if the bonds are issued in relation to the BancoPosta Segregated Assets the Supervisory Regulations will also apply.

8.2 The issue of convertible bonds or of bonds cum warrants must be approved by the extraordinary Shareholders' Meeting.

Chapter III

The proxy may be communicated to the Company electronically, through delivery in the appropriate section of the Company's website indicated in the notice of call. The same

notice of call may also indicate in compliance with the law currently in force further means of electronic notification of the proxy that may be used in the specific Shareholders' Meeting to which the notice relates.

For the purpose of collecting proxy votes from the employee shareholders of the Company and its subsidiaries who are members of associations of shareholders which meet the prerequisites set out in the law on the matter, areas to be used for communication and the collection of proxy votes must be placed at the disposal of these associations, in accordance with the terms and conditions agreed from time to time with their legal representatives.

11.2 The chairman of the Shareholders' Meeting is responsible for ascertaining that each proxy is valid and generally for ascertaining the right to participate in the Shareholders' Meeting.

11.3 The conduct of the Shareholders' Meetings is governed by specific regulations approved by a resolution of the Company's ordinary Shareholders' Meeting.

11.4 The Board of Directors may provide in relation to each individual Shareholders' Meeting that those persons who are entitled to speak in the Shareholders' Meeting and exercise the right to vote can take part in the Shareholders' Meeting by means of electronic communications. In this case, the notice of call will specify, including by way of reference to the Company's website, the methods of participation.

The proxy has no effect in relation to the proposals in respect of which voting instructions have not been issued.

11.6 The Board of Directors may provide, from time to time in relation to individual Shareholders' Meetings, that attendance and the exercise of voting rights at the Shareholders' Meeting by those entitled to attend may be exclusively through the representative designated by the Company pursuant to Article 11.5 of these Bylaws, to whom proxies or sub-delegations pursuant to Article 135-*novies* of the Consolidated Law on Financial Intermediation may also be conferred, as an exception to Article 135-*undecies*, paragraph 4, of the Consolidated Law on Financial Intermediation. In this case, the notice of call will specify, including by way of reference to the Company's website, the methods of conferral of proxies to the representative designated by the Company.

Article 12

12.1 The Shareholders' Meeting is chaired by the Chairman of the Board of Directors or, in his or her absence or impediment, by the Vice Chairman, where appointed or, in absence of both, by another person designated by the Board of Directors, in absence of all the foregoing, the Shareholders' Meeting elects its Chairman.

12.2 The Chairman of the Shareholders' Meeting is assisted by a secretary, who is not required to be a shareholder and who is appointed by the Shareholders' Meeting upon proposal of the same Chairman; the Chairman can appoint one or more persons who will aid in counting votes.

Article 13

13.1 The Shareholders' Meeting resolves on all matters that are under its responsibility in accordance with the law and these bylaws, and in relation to the activities of BancoPosta, on all matters as specifically provided by the Supervisory Regulations and the Regulations of the BancoPosta Segregated Assets.

13.2 Generally, the Shareholders' Meeting is held in one session. The Board of Directors can decide that the Shareholders' Meeting be held in more than one session. The ordinary and extraordinary Shareholders' Meeting is validly constituted and able to resolve with

the attendance and votes of the majority of shareholders provided for under the law in each case.

13.3 The resolutions of the Shareholders' Meeting, validly approved in accordance with the law and these bylaws, are binding for all shareholders, including those not attending the meeting and those dissenting.

Chapter IV

Board of Directors

Article 14

14.1 The Company is managed by a Board of Directors composed of no less than five and no more than nine members. Within such range, the Shareholders' Meeting determines the number of members. The composition of the Board of Directors must be such as to ensure compliance with the applicable laws and regulations on matters of gender balance.

14.2 Directors cannot be elected for a term that exceeds three financial years, and their term will expire on the date of the meeting called to approve the financial statements for the last financial year of their term. Directors can be reelected.

14.3 A judicial order, even if still subject to appeal and in any event without prejudice to the effects of rehabilitation, will constitute just cause for ineligibility for or removal from office for cause, with no right to compensation for damages, if it finds a person or a Director guilty of one of the following offences:

- a. pursuant to the laws and regulations that govern banking, financial, intermediation, brokerage and insurance activities, as well as capital markets, securities and payment instruments;
- b. under Title XI, Book V of the Civil Code and Royal Decree No. 267 of 16 March 1942;
- c. the rules and regulations governing offences against the public administration, public trust, property, public policy, public finances or relating to fiscal matters;

d. Article 51, paragraph 3-*bis* of the Code of Penal Procedure or Article 73 of Presidential Decree No. 309 of 9 October 1990.

Persons will also be ineligible in case of an indictment, or order to stand ordinary or immediate trial for one of the offences described above at (a), (b), (c) and (d), unless acquitted, even if such acquittal is still subject to appeal, or in case of a non-appealable order finding them guilty of an intentional criminal offence to the detriment of the Treasury.

Directors who while in office are indicted, or ordered to stand ordinary or immediate trial, for any of the offences described above at (a), (b), (c) and (d) or are found guilty, with a non-appealable order, of an offence involving fraud to the detriment of the Treasury shall immediately notify the Board of Directors on a strictly confidential basis. The Board of Directors, at its first meeting following the notification and no later than ten days after the notification of the orders described above, shall verify whether any of the circumstances set out above exist.

If the existence of such circumstances is ascertained, the Director is removed from office for just cause, with no right to compensation for damages, unless within the above ten-day term the Board of Directors calls a Shareholders' Meeting, to be held within the following sixty days, so as to submit to the Shareholders' Meeting a proposal that the Director maintained in office, supporting such proposal on the basis that maintaining such Director in office is in the overriding interest of the Company. If the existence of such circumstances is ascertained by the Board of Directors after the end of the Company's financial year, then the proposal is submitted to the Shareholders' Meeting called to approve the related financial statements for the year, subject to compliance with the terms under applicable laws and regulations.

If the Shareholders' Meeting does not approve the Board of Directors' proposal, the Director is immediately removed from office for just cause, with no right to compensation for damages.

Without prejudice to the provisions above, a Managing Director who:

- i. serves a prison sentence;
- ii. is in custody as a pre-trial measure or is under house arrest upon completion of proceedings pursuant to Article 309 or 311, paragraph 2, of the Code of Penal Procedure or after the expiry of the respective term for appeal;

is automatically removed from office as Director for just cause, with no right to compensation for damages, and with the simultaneous termination of all powers conferred to him or her.

Similarly, the Managing Director is removed from office if he or she is subject to any non-appealable pre-trial personal restriction other than prison or house arrest if the Board of Directors deems that such court order renders it impossible for the Managing Director to perform his or her duties.

For the purposes of this Article 14.3, a plea agreement entered into pursuant to Article 444 of the Code of Penal Procedure is deemed to be a finding of guilt, unless the offence is extinguished.

For the purposes of this Article 14.3, the Board of Directors will make a valuation of offences that are wholly or partially governed by foreign laws by comparing them to the Italian equivalent.

14.4 Directors must meet the requirements of respectability and professionalism under the applicable laws and regulations, these bylaws and the Supervisory Regulations.

The number of Directors must meet the requirements of independence so that the independent Directors at any time are at least the minimum number of independent Directors required under the laws and regulations applicable from time to time. For this purposes, the following are not deemed to be independent Directors:

- i. the spouse, relatives by blood and by marriage up to the fourth degree of the Company's directors, the directors of the Company's subsidiaries, parent companies and

affiliates and their respective spouses, relatives by blood and by marriage up to the fourth degree;

ii. individuals connected to the Company, its subsidiaries, parent companies, affiliates, Directors or the persons described at paragraph (i) above by way of subordinate employment or other work or professional relationship, or any other economic or professional connection that may prejudice their independence.

Annually, the Board of Directors will evaluate the independence and respectability of the Directors as well as whether any reasons for ineligibility or incompatibility exist.

In accordance with the Supervisory Regulations, the Board of Directors annually will also verify, through a self-evaluation process as described in internal regulations, that it is composed adequately and performing.

The Directors are appointed by the Shareholders' Meeting on the basis of slates submitted by the shareholders in which the candidates must be listed by way of a progressive number.

The slates may be submitted only by those shareholders who by themselves or together with other shareholders represent at least 1% (one per cent) of the share capital or the amount laid down by Consob in its regulations.

Each slate must include at least two candidates meeting the prerequisites of independence and mention distinctly these candidates and indicate one of them as the top of the slate.

The slates that present a number of candidates equal to or higher than three must also include candidates of a different gender, according to the indications in the notice of call of the meeting, so as to ensure a board composition that complies with the laws on gender balance.

The slates, under penalty of inadmissibility, must be drawn up, filed at the registered office of the Company and published in accordance with law and these by-laws.

Any shareholder may submit or join in the submission of a single slate. The persons that control it, the companies controlled by them and those subject to common control cannot submit or join in the submission of other slates or vote for them, including through an intermediary person or through fiduciary companies, where controlled companies means the companies referred to in art. 93 of the Legislative Decree of 24 February 1998, no. 58.

Each candidate may put him/herself forward on one list only under penalty of ineligibility.

Together with the filing of each slate, under penalty of inadmissibility, the CV of each candidate must also be filed in addition to the declarations by which the individual candidates accept their candidature and attest at their own responsibility the inexistence of any cause of ineligibility and incompatibility as well as the fulfilment of the prerequisites of integrity, professionalism and, eventually, independence laid down by the law for the respective positions.

The Directors appointed must communicate immediately to the Board of Directors the loss of the prerequisites indicated above as well as the occurrence of causes of ineligibility.

Each person entitled to vote may vote for one slate only.

The election of the Directors will be conducted as follows:

a. from the slate which obtained most votes cast shall be drawn, in the order in which they were listed on the slate, three quarters of the Directors to be elected, and rounded down in case of a fraction to the lower unit;

b. the remaining Directors are drawn from the other slates; to that end, the votes obtained from the other slates are divided subsequently by one, two or three etc according to the number of directors to be elected. The quotients thereby obtained are assigned progressively to the candidates of each slate, in accordance with the order respectively provided for them. The quotients thus assigned to the candidates of the various slates are set out in a single ranking in descending order. Those who obtained the highest quotients are elected.

In the event that several candidates have obtained the same quotient the candidate on

the slate which has not yet elected any director or has elected the smaller number of Directors is elected.

In the event that none of these slates have yet elected a Director or all have elected the same number of Directors, within these slates will be elected the candidate of the slate which obtained the highest number of votes. In case of parity of slate votes and parity of quotients a new vote will be held by the entire Shareholders' Meeting and the candidate who obtains the simple majority is elected;

c. for the purposes of the distribution of the Directors to be elected, account is not taken of the candidates indicated in the slates which obtained a number of votes lower than half of the percentage required for the submission of the slates;

d. in the event that the minimum number of independent Directors and/or Directors belonging to the less represented gender are not elected, the Directors of the most voted for slate with the highest progressive number and without the prerequisites in question will be replaced by the next candidates meeting the prerequisite or the prerequisites required drawn from the same slate. When even when applying this criterion it is not possible to identify the Directors meeting the prerequisites, the criterion of replacement indicated will apply to the minority slates most voted for from which were drawn the elected candidates; where even when applying the criteria of replacement provided for herein suitable replacements are not identified, the meeting will resolve with a simple majority. In this case the replacements will be carried out starting with the slates most voted for and by the candidates with the highest progressive number;

e. at the end of the operations indicated above, the Chairman will announce the names of those elected;

Chapter V

Board of Statutory Auditors

Article 25

The members of the Board of Statutory Auditors are chosen among individuals who meet the requisites of professionalism and respectability under the applicable law and regulations, as well as any additional requisites under the Supervisory Regulation. To determine the applicable law and regulations, the following subject matters are deemed to be strictly related to the Company's scope of activities: commercial law, fiscal law, business management and business finance, as well as all subjects and industry sectors relating to communications, telecommunications and information technology, banking, finance and insurance activities.

Board of Statutory Auditors.

The Board of Statutory Auditors, annually, will also verify through a self-evaluation process as described in internal regulations, that it is composed adequately and performing.

25.2 The Standing Auditors and the Alternate Auditors are appointed by the Shareholders' Meeting on the basis of slates submitted by the shareholders in which the candidates must be listed by way of a progressive number and must be of a number not exceeding the members to be elected.

The slates may only be submitted by those shareholders who by themselves or together with other shareholders represent at least 1% (one per cent) of the share capital or the amount laid down by Consob for the submission of slates of candidates for the appointment of the Board of Directors.

Together with the filing of each slate, under penalty of inadmissibility, the CV of each candidate must also be filed in addition to the declarations by which the individual candidates accept their candidature and attest at their own responsibility the inexistence of any cause of ineligibility and incompatibility as well as the fulfilment of the prerequisites of integrity, professionalism and independence laid down by the law in force.

In compliance with the provisions of the law concerning gender balance the slates must

The remaining Standing Auditor and the remaining Alternate Auditor are appointed pursuant to the laws in force and by the methods set out in art. 14.4 (b) to be applied separately to each of the sections into which the other slates are divided.

As regards the appointment of auditors who for any reason are not elected on the basis of slates, the ordinary Shareholders' Meeting will resolve by way of the majorities in accordance with law and without following the procedure outlined above but in any case in a manner that ensures a composition of the Board of Statutory Auditors in accordance with the relevant legal, regulatory and administrative provisions and is also able to ensure compliance with the principle of representation of minorities and the laws in force concerning gender balance.

The position of Chairman of the Board of Statutory Auditors will be held by the Standing Auditor appointed by way of the procedures set out in art. 14.4(b); in case of replacement of the Chairman, the position will be taken by the Alternate Auditor also appointed by way of the procedures set out in art. 14.4(b).

In case of replacement of one of the two Auditors drawn from the slate which obtained the highest number of votes, the first of the Alternate Auditors drawn from the same slate will take his/her place. In the event that the replacement, if carried out pursuant to the paragraph above, does not allow the reconstruction of the Board of Statutory Auditors compliant with the laws in force regarding gender balance, the second of the Alternate Auditors drawn from the same slate will replace him /her. Where subsequently it becomes necessary to replace the other auditor drawn from the slate which obtained the highest number of votes the next Alternate Auditor drawn from the same slate will in any case replace him/her.

Moreover, so as to fulfill its duties, and especially to fulfill its obligation to inform promptly Banca d'Italia and, to the extent necessary, any other Supervisory Authority of any acts or facts of which it becomes aware in the exercise of its duties, which may be a management irregularity or a breach of the law, the Board of Statutory Auditors has the broadest powers provided for under the applicable laws and regulations.
